* the B-Block A man that had possession of the keys that operates the opening and closing of Plaintiff's door gate. He opened and allowed the gang of officers including and not limited to Michael Travis leading the gang with a weapon at hand while making threatening and intimidating gesture and vocally making threats. Behind him was Patrick McCann making gestures by pounding his fist on other hand next to him was Jeremy Comfort and Joseph Evans along with some officer's unknown to Plaintiff. in the far back I saw a white shirt whom I latter found out to be Srg. Brian Evans whom just stood by and never at once protected Plaintiff allowing his lower ranking officers to Assault & Battered Plaintiff without any mercy what's so ever. Cell gate opened and Plaintiff curled up in a ball on top of his mattress on his left side while the right side of body was opened for there Assaults. Plaintiff was hit well over 70 times and during the assault I could hear officer M. Travis Tell P. McCann Screamed out Hold him right there, and which I was pinned in same position with right side exposed and that's when M. Travis used the knife stick (wooden stick) and hit Plaintiff in precise places which was right hip area and mid/lower back as in attempting to disambulate Plaintiff and possibly paralyzing or attempting to. Plaintiff screamed out of pain, fear, agony and made several Pleas to the Sergeant "Evans" to "Please stop he's officer's on which he replied" who told you to splash my officer, you'll be lucky if you make it to the hospital, at this time P. McCann became more aggressive and started to strike my head seconds latter I was semi unconscious and was thrown on floor from bed and when awoke I was kneeling in front of my cell toilet hand cuffed with officer's pushing my head in the toilet. At this time I attempted to play possum but the pain didn't allowed me so I screamed again and again and again

I was ordered by P. McCann to "shut the fuck up" and as much as I attempted I couldn't sometime after repeated beatings the Sergeant ordered P. McCann, J. Comfort and J. Evans to assist me to my feet and when that occurred I could tell that my right side of body was somewhat numb and dragging like dead weight. Defendants dragged me out of B-1-6 cell and other I/I's were screaming so that the officer could stop but this made things worse for me, I was dragged around the same block to other side (back side) and pushed into an empty cell that happen to be opened I was push down on floor and P. McCann, J. Evans, J. Comfort entered same cell and P. McCann pulled my pants down to my knees and sexually assaulted Plaintiff by spreading my buttocks and penetrating my rectum while laughing amongs each other and trading racial jokes about "wet backs" ~~at~~ which is a term use for immigrants who swim across borders like Mexicans or Dominican Republic ect. After this sexual act and derogatory jokes my pants were pulled up again and I was order to "Get the Fuck up" and I attempted but again I couldn't fill my right side of body and I felt a lot of pain when attempted coming from my lower back and right hip area and it felt like it was shooting electricity threw hips threw back and up to neck, at this time because I couldn't stand up by self, P. McCann thought I was probably making it harder for them and without warnings he (P. McCann) swung a hailmacker and punched me on stomach area (right side) and litterly took the left over wind I had and took me to a semi-conscious state of mind again I then remember being escorted threw Exits that lead →

me into the S.H.U. and I was thrown into a very small cage looking cell and I think due to the pain I went into a semi-unconscious state of mind and remember a female voice who appeared to be a nurse saying "Hey Mr ALFONSO I'm just checking your vitals and temperature" and within seconds I heard the same voice say to officers "you gotta get him out of here, he can't stay" I then remember being placed on a wheelchair and driven out side and to the facility clinic. When I came to I can hear Sergeant Evans tell DR. J. Ricciardeli "yes he's an overdose" and the DR. J. Ricciardeli went along with what the officer were building on Plaintiff in order to justify the injuries. At this time no one knew of how serious this was. Any way I was Denied adequate medical attention by Doctor Ricciardeli. I told him what happened and where I fell injuries but he ignored me and order a shot of "Narcane" This Doctor fail to protect me and instead added to the pain. DR. Ricciardeli was fully aware that I didn't need such medication he was also aware of All medication that Plaintiff receives via the facility and one of them is an opiate and by administering "Narcane" just added to the pain along with withdrawals do to the "Narcane" Plaintiff believes that DR. Ricciardeli wanted me more unstable so that Plaintiff would not have a fair chance to advocate for self due to the withdrawals and staff. upon arriving at Arnot Ogden medical Center as an Adult overdose I had to prove to the Doctor there that it's a scheme and that I have been drug cleaned since 2019 and ~~that~~ I took blood work and urinalises to prove it → → →

when urinalizis results came back as negative besides the facility perscribed drugs. that's when the doctors at Arnot Ogden medical Center (A.O.M.C.) became more ears and Re-examine me and although I was drugged due to the "Narcan" a doctor issued a relaxer so that I can function better for them to examine me properly. minutes later I was re-examined and that's when doctors at (A.O.M.C.) noticed where I kept pointing at my right side Hip area and my lower back was killing me. A doctor I believe by the name of Alexander ordered X-Rays, MRI, CT scan and many more procedures and hours later they (A.O.M.C.) Doctor's found the problems. They found many fractures and the medical terms are "Transverse process fractures L-1, L-2, L-3, C-5 fractures, P-mecann punched me with the tailmaker without warnings. It was also found ~~for~~ orbital fractures I believe that's my eyes locations where I was punched unconscious. I returned back into facility into medical unit and then Shu. I was then send out to a Residential mental Health unit for further treatment and after a few months Somehow I was send right back into my Assaultants hands. The NYS Doct's Commissioner fail to protect me because they were aware of such incident due to the use of face report, Plaintiff exhaustion of Grievances via I.G.R.C. where no respond came from them so Plaintiff appeal to Superintendant Rich and again no answer which lead Plaintiff to re-appeal to Central office Review Committee at Albany, N.Y. →

 exhausted All three levels of Grievance and

around August 2nd 2022 I received a letter stating the fact of such dismissal. All Correction officer's utilized the force to harm Plaintiff and never to restore security within there facility. The Srg. Evans fail to protect me twice and committed fraud, Perjury and also gave false testimonies along his lower Ranking officer involved in this, to Chemung County Court Grand Jury Minutes in order to justify plaintiffs injuries and to continue the Assault on Plaintiff. Doctor John Ricciardeli fail to protect Plaintiff also, when he maliciously ordered "Narcan" for Plaintiff although Plaintiff was not on overdose and Plaintiff was coherent as well. Doctor Ricciardeli sided with Srg. Evans and others, to harm Plaintiff and mistreat Plaintiff causing more injuries due to Plaintiff's known prescribed medication which lead Plaintiff to withdrawal and experience more painful and agony symptoms. ~~THE~~ NYS Doc's Commissioner failed to protect me Srg.
